

Orders for the Lincoln Centennial edition of The Gettysburg Times, to be published November 19 as a tribute to Lincoln on the 100th anniversary of his Gettysburg Address, have now reached the 35,000 mark.

This is over and above the normal press run of 9,000 daily. Unique in design and makeup and with displays limited to Lincoln tributes and quotations, all of the same size and typography and without commercial copy, the

edition is one that never before has been attempted by a newspaper. It will make newspaper history and is certain to be a collector's item. Due to the long press run, the first section of this edition which because of its

association with the greatest expression in the English language could only be published in Gettysburg, will go to press on Monday. Applications for displays will, of necessity close Tuesday, November 12.

WEATHER FORECAST
Light rain or drizzle ending tonight, lowest in lower 40s. Variable cloudiness and a little warmer Saturday, high in 50s.

LEAGUE ADDS MORE NAMES TO GOLDEN BOOKS

One of the features of the second session of the Woman's General League of Gettysburg College held in Christ Chapel Thursday afternoon was the presentation of the Golden Books by Mrs. Viggo Swensen.

For many years one of the main sources of income for the League has been money contributed by placing the names of loved ones in the Golden Books, in memory of deceased, in honor of children, relatives and friends. The books, however, are seldom seen and Mrs. Viggo Swensen had the large volumes displayed on the platform. She called the presidents of all the subleague wearing golden sashes, and as they presented names to be listed in the books she placed golden cords with tags across the appropriate books.

At the close of the session the ladies adjourned to the library reading room, which was closed to students for that hour, and Mrs. Kenneth L. Smoke, librarian, greeted them and introduced the members of the staff. The delegates were then permitted to tour the building. Tea was served in the faculty lounge, with Mrs. J. W. Albright presiding at the table for the first hour.

HOLD BANQUET

Frederick County Subleague members were hostesses for the banquet at 7:15 p.m. in the dining hall with Mrs. J. Leon Haines serving as toastmaster. Dr. Carl A. Hanson, president of the college, in his address of welcome, said that his education had progressed considerably since he came to Gettysburg and he learned how much of the furnishings and buildings were furnished through the hard work of the members of the league. Programs were at each place in the college colors of orange and blue, decorated with cutouts of students at desks.

At 8:30 p.m. the group went to the Student Union Building where they attended the presentation of "The Diary of Anne Frank" directed by Emile Schmidt. At intermission he was introduced by Mrs. Cedric Tilberg.

PSU EDUCATOR IS SPEAKER AT ANNUAL DINNER

"The world 17 years from now can be horrible or wonderful, depending upon the day-to-day decisions we make today," Dr. Paul M. Althouse, director of general education, Pennsylvania State University, said Thursday evening at the 48th annual meeting of the Adams County Agricultural Extension Association held in the Rolling Acres Elementary School, Littlestown.

Noting that "within the past 60 years more changes have taken place than in all the prior history of mankind," Dr. Althouse said, "The curve of change is rising so steeply that we cannot afford to make any mistakes today, for today is tomorrow to a large extent, particularly in education. The young men and women we are educating today will control the world 17 to 20 years from now. Their judgments then will decide whether this will be a wonderful or a horrible world. And their judgments then will be made on the basis of what they are taught today. We cannot wait, we cannot do it five years from now—we must be sure of what we are teaching them now."

"No one can say what the world will be like in the year 2000. Things are changing too swiftly to prognosticate that far ahead. But by looking only 17 years ahead

Franklin And Adams To Continue As Senatorial District Under New Plan

HARRISBURG (AP)—Senate Republicans are expected to reach final agreement next Tuesday on a plan for the first major reapportionment of the chamber since 1960.

The GOP caucus, which has the votes to pass a redistricting bill even without Democratic help, discussed reapportionment for three hours Thursday, sometimes heatedly, but deferred a final decision.

"The reason for the delay is because of a number of questions that were raised by some members who wanted to go back home and talk to interested individuals," said caucus chairman William Z. Scott, R-Carbon.

SHOULD PASS AS IS

Scott added however that the plan being considered, developed by Sen. Marvin V. Keller, R-Bucks, chairman of the reapportionment committee, should pass almost as written. The plan would rearrange the

WILL PRESENT IRISH FLAG TO GETTYSBURG

The flag of the Republic of Ireland will be formally presented to Gettysburg Monday in tribute to Lincoln's Gettysburg Address.

Cathal Goulding, representative of the Irish Republican Army, in the U.S. on an official visit, will make the presentation to Mayor William G. Weaver at a luncheon Monday noon in the Hotel Gettysburg. A score of Irish Brigade representatives will accompany Goulding here.

Arrangements for the presentation of the flag were made by officials of the Irish Brigade Memorial Association of Philadelphia with Mayor Weaver. The place where the flag will be placed on display locally will depend upon the wishes of the donor, Mayor Weaver said.

RETURNING JFK COMPLIMENT

According to the Philadelphia, whose organization annually holds a memorial service here in May honoring the Irish Brigade, President Kennedy, on his visit to Ireland, presented an American flag there.

Upon completion of his plans to visit the U.S. the Irish Army official decided to return the compliment by presenting an Irish flag to some community in the U.S.

Officials of the Philadelphia Irish Brigade Memorial Association suggested a number of places where the flag could be presented, including Washington, and listed their reasons why the flag should be given at each community.

The Irish official chose Gettysburg because here Lincoln gave his famed speech stressing government of the people, by the people, for the people, and because the Irish Brigade fought here.

As a result, arrangements were made for a luncheon meeting here. Several carloads of Philadelphia Irish Brigade Association officials and Irish officials will be present to meet Mayor Weaver and other Gettysburgians here.

PSU EDUCATOR

(Continued From Page 1) and basing our judgments on what is existing today we can see certain developments that will come about in those 17 short years.

WEATHER CONTROL

"There will be a significant degree of weather control by 1980, so we must be careful how we educate the people who will have the power to turn on and off the water you and I receive."

"Even more dangerous are the developments in biological engineering. It is entirely possible that by 1980 it will be possible to change at will the thought processes of an individual. We must educate so the wrong judgments will not be made in deciding who will think what."

"It is very frightening to think that man can tamper with the thought processes of others, but at the same time it could be wonderful — crime, wars could be done away with. But the responsibility will be tremendous."

"Biological engineering has reached the point where there is a real possibility that arms, legs, livers, hearts, lungs can be stored and used at a later date to replace worn out organs of human beings. We can estimate that the life span of the 1980s will be about 85, based on the manner in which we have advanced the age limits over the last few decades. But with new parts that top age limit might be forever."

PUBLIC TRANSPORTATION

"We can expect that the automobile will be banned from the cities. Already it is almost impossible to drive through the big cities. By 1980 they will be forced to permit transportation only by public conveyance through their streets. The motorist will drive around the cities. Or if he cares to stop there, he will park his car and take a bus."

"Full automation will come in many industries by 1980. The first fully automatic factory for the production of automobiles is now being constructed. It will be in operation by 1965. One man will push one button and cars will come out the other end with no one in between. And programming can do away with the man to push the button. Japan has already developed two fully automatic steel mills — mills operating with no men at all. And our steel industry is watching that development closely. If they are to stay in business they may have to go to full automation."

FEWER JOBS

"We must begin today to educate for fewer jobs. We must begin today to make decisions on what to do with all the people who will be looking for jobs. We can be sure that the work week will be shortened. We must begin now to train people to constructively use their leisure time."

"We must begin today to change

Some attitudes toward leisure. What do we think of as leisure—going fishing, sleeping in a hammock, watching television? Will we be able to do this with the possibly 50 years of leisure we will have, counting the Fridays, Saturdays and Sundays we will have off, the maybe 20 years of retirement, the longer time we will have to ourselves each day. Today we think of work, thus the great impetus to do-it-yourself. But can we fill all those hours we will have with do-it-yourself programs?

"We can figure that there will be adequate food supplies in 1980 due to technological advances. We can be assured of adequate water and power—but air pollution will have become a very real problem. "If a major war intervenes, of course, all bets are off. But assuming there is no war, we can be sure of the things I have already mentioned. We can also be sure there will be increased centralization of government; more federal control over all governmental spending, and state governments will decline in importance and influence—giving way probably to some form of regional type government."

LOTT RECEIVES PLAQUE

Robert C. Lott, Aspers R. 1, was presented with a plaque for outstanding service to 4-H and Extension. President Joseph Stoner presided at the meeting. John Bergstrom, assistant to the director of extension brought greetings from Pennsylvania State University. Refreshments were served by the Mason-Dixon Homemakers group.

HAD MILLION IN INSURANCE ON HIS WIFE

MINNEAPOLIS (AP) — Records of \$1,055,000 worth of insurance which T. Eugene Thompson took out on his wife have been placed in evidence at his trial on a charge of engineering her slaying.

John Winter St. Paul insurance man who was on the stand when court recessed Thursday continued his testimony today about three policies he said his agency had sold to Thompson in late 1962.

Winter said Thompson, 35, had applied for a quarter million dollars worth of insurance on Mrs. Thompson but the three firms concerned finally had granted a total of \$105,000.

The witness, who was a fellow student with Thompson and his wife in St. Paul, said the last of the three policies—issued by General Insurance Co. for \$30,000—was delivered late in January.

The following March 6 Thompson's wife, Carol, 34, was fatally bled and knifed in the couple's fashionable St. Paul home. She was the mother of four.

CHARGED WITH MURDER
Prosecutor William Randall brought out that the other policies were for \$50,000 with Time Insurance Co. and \$25,000, issued by the Zurich Insurance Co. Testimony showed Thompson had sought policies for \$100,000 each from General and Time, \$50,000 from Zurich.

Thompson, an attorney, is charged with first-degree murder. The state claims that, in addition to the insurance money, he had been having an affair with a former employee and wanted to marry her. The woman hasn't been identified.

Two other men await trial in the slaying.

Franklin And

Lancaster County, which would then become a single district, and added to Schuylkill County which now is a single district.

OFFER WITH RESERVATIONS

Ehrgood has already stated he is willing to retire from the Senate to make the complex problem easier, but he flatly opposes a combination with Schuylkill County.

Most of his Lebanon County constituents would prefer to merge with Dauphin County, he said.

"I will take the plan home, but the people don't like it," Ehrgood said after the caucus meeting. "But there may be reasons—I don't know yet—why they might go along."

TO DROP DISTRICT

Murray's district would be dropped entirely leaving all of Luzerne County to Sen. Harold E. Flack, a Republican.

The Jefferson-Indiana County seat now held by Morris, a freshman senator filling an unexpired two-year term, would be dropped by merging its present lineup with Armstrong County, now in another district with Butler County.

Butler would be added to Lawrence County to form a new 21st district with Lawrence County being taken away from Beaver County. Beaver county would emerge a single district represented by Democratic Sen. John C. Miller.

OTHER CHANGES NECESSARY
Morris declined to comment on the proposed change, but it was believed he would like to remain in the Senate.

Keller said county changes in other districts also were necessary to bring each district more in line with the 226,000 constituents required by the present population formula under the constitution.

Aside from creating four districts not now represented, the plan calls for a deferred combination of the present 48th and 26th districts in two years. The reason is that the present representatives Sens. Richard C. Frame, R-Venango (48th), and Lyle G. Hall, D-Elk (26th), have two years to serve under their present terms. They would be pitted in 1966.

8 PHILA. SEATS

Philadelphia would retain its eight Senate seats, but would undergo a realignment of districts that would knock out Sen. Israel Stiefel and Peter C. Camiel by adding their territory to that of Sen. Benjamin R. Don-

olow. All are Democrats.

Allegheny's new seat would be in Republican territory and the present six senators would not be affected immediately, said Sen. Robert D. Fleming, R-Allegheny.

Montgomery's new district would be the 17th—it now has the 12th. Delaware would add the 26th district to its 9th. Allegheny adds the 37th to its 38th, 40th, 42nd, 43rd, 44th and 45th.

THE NEW LINEUP

Half the Senate is elected every two years with odd numbered districts coming up in 1964. So new senators would be added in Montgomery, Allegheny and Butler-Lawrence next year and another in Delaware County in 1966.

This would be the new district lineup under the Senatorial reapportionment plan proposed by Senate Republicans (changes in parentheses):

1-8—Philadelphia (same number unchanged, but the present 3rd and 5th districts would be added to the 2nd).

DEFENSE MOVE LOST IN COURT

WASHINGTON (AP) — The trial of five persons charged in the death of a Ft. Belvoir, Va., soldier continued today after statements given by the defendants to police were read to a federal district court jury.

A motion by defense lawyers that the statements be suppressed was denied Thursday—fourth day of the trial—by Judge Richmond B. Keach. The attorneys argued the statements had been taken in violation of the so-called Mallory rule.

The rule says a defendant must be brought before a magistrate without "unnecessary delay" after his arrest.

In all of the statements the defendants admitted being present when Pvt. Edwin J. Betcher, 19, Brooklyn, N.Y., was run over by a car and killed June 19 on a southeast Washington street.

The statements are essential to the government's case because they represent the only evidence that places the defendants at the scene.

The defendants all of Arlington, Va., are Floyd T. Smith, Thomas A. Green, Leon Dillard Jr., Gerald A. Jackson, each 22, and Sheila Mae Turner, 20.

FIFTEEN YEARS AGO

Robert B. Kenworthy, 13, is Stricken With Polio; Moved To Sydenham Hospital, Baltimore: Robert B. "Bobbie" Kenworthy, 13-year old son of Mr. and Mrs. Robert J. Kenworthy, East Broadway, is in the Sydenham hospital, Baltimore, a victim of polio. He was stricken with the fearful disease during the past two days and removed to the hospital near Baltimore late Thursday afternoon in the Gettysburg ambulance.

At Baltimore, "Bobbie" is under the care of Doctor Schwenter, chief pediatrician of the Harriet Lane Child's Division of Johns Hopkins hospital. The physician directed that he be taken to Sydenham because there was no vacancy in John Hopkins.

The little fellow has lost the use of his right leg, although at times he is able to partially wriggle his toes. His left leg is also partially affected.

"Bobbie" first complained of being ill last Sunday. He suffered from a mild headache, had a slight fever and said he had pains in his stomach and back. The family physician, Dr. C. H. Johnson, and local nurses made several tests and diagnosed the affliction as polio.

"Bobbie" has always been an exceptionally active boy. He is interested in all forms of sports and this summer took up golfing, attaining a certain degree of efficiency in the game.

76 Degree Heat Sets Record Here: After setting a 45-year heat record here on Saturday with a high of 76 degrees, the mercury Sunday night nosedived to within two degrees of freezing temperatures as the weatherman did a quick about face over the weekend. Saturday night's torrents totaled 2.03 inches here.

The nearest approach to Saturday's high here in other years was a 70-degree reading taken on November 6, 1935. No other 70-degree readings ever have been taken here on that date since weather records were begun in 1903.

ASPIRE

I can name no possession more valuable to a human being than that of aspiration. To be born with the desire to aspire is indeed fortunate. Unfortunately many are not born with this gift, for I believe that it is a gift.

Happy that one whose parents have given to him or her, as an inheritance, the desire to aspire, to be something better and more useful, and to be the most of which he or she is capable. Such an inheritance is something better than gold, far better than a horde of hanging-on confederates who wish the spoils of some discovery or invention tool.

The aspiration in a man's heart is what makes him free, independent, democratic, and a wholesome human being. The higher a man's aspiration is the more he establishes himself as an unconquerable unit in the world's force.

It's aspiration that inspires the poet to write his immortal lines, that drives the pioneer to his destination, and which has produced our Shakespeares, our Hugos, our discoverers and our scientists and inventors. It is this aspiration to move on, to better things, to make of tomorrow a better day than yesterday, to build where once there was waste, that has given us all that civilization boasts.

To aspire should be the first lesson taught to the boy or girl and it should be the one ruling factor in everybody's life.

Aspiration made America what it is today, from the cold wastes and ice of the north to the warm waters of the Gulf of Mexico. Aspiration inspired Edison to give light to all the world. Aspiration inspired Henry Ford to give his millions of cars to the masses. Marconi gave the world the forerunner of its perfected radio with the human voice traveling instantly around the world, delighting millions. Aspiration has inspired all our courageous astronauts.

Aspire, my friend, to be somebody worth while to do something out of the ordinary — something permanently good.

SPEAKING OF CHAMPIONS
The champions are gifted men, but oh they're very few, but one there is who wears the crown until his reign is through, but one who can the swiftest run, or strike the hardest blow, or be supreme in any test—and champions come and go.

Men yearly strive to lead their fields—they give their strength and time
The highest mountain on the earth to be the first to climb.
They train their muscles and their nerves with energy and will,
For who would be a champion must have the greatest skill.

Now I can read the record books and find each champion's name,
And learn who leads his little field in every sport and game;
But I can find no mention there of name or date of birth
Of him who's given his thought to be the kindest man on earth.

I'm told who can the swiftest run and who can fastest swim,
But who's the greatest neighbor here—no word is told of him.
Who leads the field in kindly deeds?

No line of him is penned
Somehow I think I'd like to know who is the champion friend.

Has Hubby Who Brings Home Bacon And Everything Else

By JOY STILLEY
NEW YORK (AP) — I'm not worried about whether I married a man or a mouse. What I'm wondering is if I married a man or a packrat.

My husband doesn't just bring home the bacon. He brings home everything else he can get his hands on, too. And once the stuff is on the premises he wants to keep it there.

If he had his way, nothing would ever be thrown out except orange peelings and coffee grounds. He is absolutely convinced everything else will come in handy some day.

FRIENDS BRIEFED
All our friends have been briefed never to dispose of anything without first consulting him. In this way we have come into possession of such choice items as an old electric phonograph with no tubes, a metal bookcase with most of the shelves missing, and a massive solid oak headboard from someone's discarded bed.

I admit some of these odds and ends he collects have come in handy in the past when he did a lot of building for our children. He once made a wagon out of nothing but scraps of lumber, wheels from old carriages and tricycles, and even rehabilitated bolts and nails. It held six kids. He looked pretty smug when he painted it with

DANCE DEBUT CALLED OFF

PHILADELPHIA (AP)—Debutante Fernanda Wanamaker wouldn't have her supper dance debut here after all—the money that was to be spent on it will go to a boys' school in the Philadelphia area.

Donald S. Leas Jr., Miss Wetherill's stepfather, said Thursday the affair—slated for Dec. 28—would not be held for fear it might develop into "another unfortunate incident."

He referred to the wrecking of a mansion by some guests after Fernanda's Long Island debut at Southampton, N.Y., last Aug. 31. Instead of the supper dance, Leas said he will donate funds set aside for the party to a local boys' school.

A ball was originally planned here to introduce Fernanda, 1 great-granddaughter of John Wanamaker, founder of the department store, to local society.

But the ball was canceled and the supper dance was then substituted.

SEEKING LOOT IN CITY HALL

PHILADELPHIA (AP) — Authorities continued a top-to-bottom search of city hall today for valuables looted from a police safe last weekend.

The search was launched on the theory the burglars stashed the loot for safe removal later. Still missing are about \$9,000 and a small amount of jewelry.

Two city employees were arrested Thursday and charged with taking nearly \$9,000 in cash. Police first thought more was taken but an inventory showed that \$35,000 or more was overlooked.

Arrested were James Hurst, a city hall watchman who said he discovered the burglary, and Henry Lucas, 39, a city hall elevator operator. Both were on duty the night of the theft.

Chief Inspector Robert J. Selridge said an undetermined amount of jewelry, mostly watches, and evidence in some police cases were also taken.

GAMBLING RAID BY STATE COPS

JOHNSTOWN, Pa. (AP)—Forty-three persons were arrested Thursday in a state police gambling crackdown on numerous clubs and business establishments in Cambria County.

A force of 63 state troopers and eight Internal Revenue Service agents swooped down on Johnstown and the northern county communities of Hastings, Carrolltown, Asheville, Ebensburg, Patton and Cresson.

Four persons were charged with failure to obtain federal gambling stamps and others were charged with violating the state gambling laws. All were released on bonds ranging from \$500 to \$2,500 pending further action.

Officers said fraternal clubs bore the brunt of the raids.

About 60 pinball machines, several slot machines, punchboards, treasury tickets and numbers writing slips were seized, officers said.

Hunters Make Angry Noise Over Distribution System Of Antlerless Licenses

By VINCENT P. CAROCCI
HARRISBURG (AP) — Each year about this time, the Pennsylvania Game Commission becomes a target for complaints from angry deer hunters who were unable to obtain antlerless licenses.

The protests usually center on: The number of licenses available and the manner in which they were issued by the county treasurers, the commission's agent.

Screams about the latter usually exceed those about the former.

RECEIVING COMPLAINTS

Glenn L. Bowers, deputy executive director of the commission, said the complaints are of a recurring sort, something the commission braves for each year. He explained:

"We don't get too many complaints about the number available, but we get a whole host of complaints about the way they were issued."

Most hunters and sportsmen's groups under stand that the number of licenses to be issued in each county is not an arbitrary figure arrived at by the commission after five minutes thought.

201,450 LICENSES

This year there were 201,450 licenses distributed for the two-day antlerless season beginning Dec. 16. The commission expects a kill of about 40,000 deer.

The license quota was arrived at after a comprehensive study by the commission which took into consideration such factors as:

The size of the herd, the size of deer kills last year as compared with a five-year average, the antlerless success ratio — that's the number of licenses required to kill one deer — the number of deer killed on the highways and the number of deer killed by farmers who caught the game destroying their crops, plus other factors.

This year, in several counties across the state—Westmoreland and Dauphin in particular, hunters were under the impression that license applications would not be accepted until Sept. 20.

They waited for the day to come, only to learn when it did that the county's quota already was distributed.

DEAFENING PROTESTS

The roar of protest was deafening.

What happened was:

The commission meets each year with the County Treasurers Association to agree on an issuing date for the licenses.

This year it originally was intended to begin the distribution Sept. 3.

The commission, however, because of the new license increase enacted by the 1963 General Assembly, prevailed upon the association to delay the distribution date to Sept. 20.

Or so the commission thought.

Some treasurers distributed the licenses before Sept. 20.

The anger of the rejected was predictable.

CHANGE NEEDED

Bowers feels that until such time as the game law is changed complaints like these will continue to flow into commission headquarters.

He sees two possible ways out.

The law could be amended to provide specific rules outlining the time and manner the licenses can be issued by the county treasurers or the commission to distribute the licenses.

Bills pertaining to both possibilities were introduced in the 1963 General Assembly, but died in committee.

Bowers predicts some attempt will be made along this line in the 1965 legislative session. He won't predict the outcome, but he did feel:

"The legislature will take a real good look at it because of the controversy that came up this year."

TWO GIANTS ROUT KNICKS FOR WARRIORS

By THE ASSOCIATED PRESS
The San Francisco Warriors are a new team as far as New York Knicks' Coach Eddie Donovan is concerned, but he still has a prominent reminder of last year's poor Warrior play—his own team.

The Warriors swamped the Knicks 110-88 Thursday night in San Francisco.

"With the two big guys in there, they limit you to just one shot," said Donovan, summing up Thursday's defeat.

The two are Wilt Chamberlain, holder of many National Basketball Association scoring records, and Nate Thurmond, 6-11 rookie from Bowling Green.

TURNUED INTO ROUT

They played together for about 20 minutes—Chamberlain at center, Thurmond at forward, and helped the Warriors turn a close game into a rout with a 34-14 edge in the third period.

Chamberlain scored 23 points. Last year the Warriors were a distant fourth in the Western Division thanks to almost no teamwork. This year they're 6-2.

But the Knicks, 3-8, have inherited the no-teamwork label. "We've gotten so many new men in trades they haven't worked in together yet," says Donovan. "It's like learning your plays in game conditions instead of in training."

HAS 1 STROKE TOURNEY LEAD

By CHARLES MAHER
Associated Press Sports Writer
PALM SPRINGS, Calif. (AP)—Bob Rosburg, who has made his last \$66,000 in golf without winning a single tournament, held a one-stroke lead over young Frank Beard today, going into the second round of the \$50,000 Frank Sinatra Invitational.

Rosburg, who scored his last PGA tournament victory nearly three years ago in the 1961 Bing Crosby National, didn't miss a putt on the first 14 holes and shot a four-under-par 67 in Thursday's opening round at Canyon Country Club.

Only 11 other players in the field of 150 bettered par on the two-year-old desert course.

Rosburg took only 28 putts and scored birdies with four of them, the longest a 12-footer.

Beard, who turned professional only a year ago, had three birdie putts, one a 20-footer.

He missed only two greens. Beard, 24, is a brother of Ralph Beard, a star basketball player at the University of Kentucky in the late 1940s.

Beard finished the round a stroke ahead of Bill Casper, Dave Hill, Dow Finsterwald, Tommy Bolt and Bobby Nichols. A stroke farther back, at 70, were Don Essig, Gene Littler, Terry Wilcox, Tommy Aaron and Ray Floyd.

Fourteen players, including 53-year-old Jimmy Demaret shot par 71s.

Pimlico Meet To Open November 13

BALTIMORE — The winners of three earlier races in the series of stakes for Maryland-bred two-year-olds are among the 28 eligibles for the \$200,000 added Pimlico Breeders' Stakes, feature of the opening program of the fall meeting which starts November 13.

Hussar, who triumphed in the seven-furlong Maryland Futurity at Laurel, is eligible as are Busy Jill and Spiral, victorious in the two divisions of the Bowie Breeders' Stakes.

Four other horses who finished in the money in the Maryland-bred series also were named for the Pimlico Breeders' Stakes, to be run at a mile and a sixteenth. Benedict C., Brow Band, Disguise and Repeating make up this quartet.

Canners Host Warriors In Big Game Tonight

Records and past performances will mean nothing tonight when the Gettysburg and Biglerville High School football teams clash on Musselman Memorial Field, Biglerville, at 8 o'clock in their final game of the season.

This will mark the fourth meeting between the intra-county rivals, Biglerville holding a 2-1 edge in the series. Last year the Warriors triumphed 18-0.

A huge crowd is expected if favorable weather conditions prevail. Gettysburg is 4-5 for the season while the Cannors are 5-2-1.

Bermudian Springs and DeLone Catholic end their campaigns with games on Saturday, the former playing at Kennard-Dale at 2 p.m. and the latter at South Western in the evening at 8.

THIS IS WEEK OF DECISION ON HS GRIDS

By DAVE LEHERR
HARRISBURG (AP)—This is the week of decision in the 1963 WPIAL Class AA football race, but the three contenders can't do a thing about it.

The championship depends on the also-rans now.

West Mifflin North, Butler and Washington all have completed their seasons with perfect records. But the teams are rated on a point system based on caliber of opposition.

West Mifflin North leads the pack with 149 followed by Washington with 138 and Butler with 136.

IMPORTANT GAMES

Butler however has the potential of 142 while Washington can reach a maximum of only 140. Butler's hopes ride on four games this weekend—New Castle-Elwood City, Farrell-Sharon, Aliquippa Ambridge, and Har Brack-Kiski Area.

Washington on the other hand needs to have Uniontown beat Johnstown.

The team that emerges with the greater number of points will meet West Mifflin North in a playoff. If Butler and Washington wind up in a tie, then West Mifflin North gets the coveted title without a playoff.

Confusing? Well, then try some of these selections for size.

WEEKEND CHOICES

Uniontown over Johnstown — Giving Washington its 40 points.

Aliquippa over Ambridge, Sharon over Farrell-Elwood City over New Castle and Har Brack over Kiski—Giving Butler 142 points.

Punxsutawney over Du Bois — Clinching the West Penn Conference A crown for the chucks.

Harrisburg Harris over Lancaster — Pioneers practically own Central Penn Conference.

Williamsport over York—The Millionaires bounce back after losing first league game to Harris.

Blakely over Dunmore — A battle of unbeaten in the Northern Division of the East Penn Conference Could mean the championship.

OTHER SELECTIONS

Sunbury over Mount Carmel—Another must game in the Owls' quest of Southern Division honors in the East Penn Conference.

Danville over Bloomsburg — Injury-riddled Ironmen try to shake off effects of a loss and a tie after 17 straight victories.

Johnstown Bishop McCort over Pittsburgh Central Catholic—Another perfect season for McCort bringing unbeaten string to 35 straight with only a tie to blemish the record.

Middletown over Lower Dauphin — Harvey Colston needs only 25 points to pass Charley Banks of Meyersdale in the scholastic scoring derby for the 1963 season. Banks finished last week with 155. Colston has 131.

Neshaminy over William Tennent — A kid named Baxter makes all the difference.

CHOICES IN EAST

The East—Funkhannock over Jessup, Chief Logan over Juniata Joint, Huntingdon over Lewistown, Reading over Harrisburg Penn, Pottsville over Lebanon, Hanover over Dallastown, Minersville over Shamokin, Lancaster Catholic over Columbia, Allentown Allen over Easton, Allentown Dieruff over Mifflin, Plymouth-Whitemarsh over Harrisburg, Philadelphia West Catholic over St. Joseph's, Coatesville over Springfield, Phillipsburg-Osceola over Lock Haven.

The West—Altoona over Erie A c a d e m y, McKeesport over Elizabeth Forward, Greensburg over Jeannette, Bedford over Central, Altoona Bishop Guilfoyle over Windber, Erie Prep

Our record — 219 right, 67 wrong, 7 ties for an average of .765.

BROWN UPSET BY STEELERS SEEN POSSIBLE

By JACK HAND
Associated Press Sports Writer
NEW YORK (AP)—Pittsburgh is primed for an all-out effort against the Cleveland Browns Sunday before Pittsburgh's largest pro crowd, 55,000—and a Steeler victory would turn the Eastern Conference race of the National Football League into a wild scramble.

The lead changed hands seven times when they met Oct. 5 in Cleveland, where Frank Ryan thrilled 84,684 fans with three touchdown passes in the Browns' come-from-behind 35-23 victory.

Jimmy Brown is back in stride but Ryan has been shaky since the New York Giants climbed all over him. Unless Ryan gets back on the beam, the Steelers could upset the Browns.

GIANTS FAVORED

The New York Giants, who took over second place last week, are favored to keep on rolling against a battered Philadelphia team. St. Louis, derailed by the Giants, is due to pick it up again against Washington.

The Western Conference leaders, the Green Bay Packers and Chicago Bears, are supposed to win handily, unless they spend too much time looking ahead to their Nov. 17 rematch at Wrigley Field. The Packers play Minnesota in Green Bay while the Bears meet Los Angeles in Chicago.

In other NFL Sunday action, it will be Detroit at Baltimore fighting for third place in the West and Dallas at San Francisco.

CHARGERS AT BOSTON

San Diego's powerful Chargers, with Tobin Rote clicking on all cylinders, play at Boston Sunday in a game that might be a preview of the American Football League title game. Houston is at home to the New York Jets in the other Sunday game. Oakland plays at Kansas City Friday night and Denver is at Buffalo Saturday night.

Ten out of 11 got us even in the AFL for the season (14-1-2) and we're 40-15-1 in the NFL for a season total of 54-29-3. Here goes again.

NFL

Pittsburgh 27, Cleveland 24—An upset. The Steelers led last time 23-21 going into the last period after being stopped on the 2 and the two-foot mark. Ed Brown moving the Steelers steadily and they should win if the defense can escape that second-half letdown.

New York 31, Philadelphia 21—Allie Sherman may have trouble getting the Giants up after two big games. But the Eagles are hurting.

Green Bay 27, Minnesota 14—Scrambling Fran Tarkenton seems to give Packer defense trouble but Green Bay is just too good. If it's tight, Vince Lombardi always can go to Jerry Kramer for a field goal.

Chicago 31, Los Angeles 10—Rams are improved but not that much. Bears' defense will clobber Roman Gabriel and Bill Wade will pick away at Rams with balanced ball control game.

St. Louis 21, Washington 17—Charlie Johnson will find Redskins' secondary a picnic after last week. Washington pass defense has yielded 19 TDs in eight games. Injuries to Bill Triplett and Joe Childress will hurt Carus' ground game.

Detroit 24, Baltimore 20—An upset for the Lions, who bowed to Colts 25-21 last month. Colts can't run and Lions murder passers.

Dallas 21, San Francisco 17—Could be trouble for the Cowboys with Jim Ray Smith and Lee Roy Jordan out of action. San Francisco offense mediocre despite Dallas' defensive weakness.

AFL

Kansas City 21, Oakland 10 (Friday night)—Chiefs at home, figure to reverse 10-7 defeat in Oakland with Curt McClintock starting to come on.

Buffalo 35, Denver 28 (Saturday night)—Nobody stops anybody in this one but Jack Kemp should hit targets more often than Don Breaux or Mickey Slaughter.

San Diego 28, Boston 27—Tobin Rote, Keith Lincoln, Paul Lowe and Lance Alworth give Pats fits despite their new-found punch and Gino Cappelletti's kicking.

Houston 28, New York 14—George Blanda to exploit Jets' pass defense weakness with strikes to Charlie Hennigan and Willard Deweall.

HOUSTON (AP)—Tod Herring of Houston and Alonzo Johnson of Rankin, Pa., a pair of hard-punching heavyweights, will meet in a 10-round main event Nov. 19.

over Erie East, Beaver Falls over South Hills Catholic, Clearfield over Curwensville, Bald Eagle Area over Jersey Shore, State College over Bellefonte.

Resume Racing At Lincoln Speedway

The speedsters of the sportsman-modified, and late model divisions of stock car racing will return to the Lincoln Speedway near Abbottstown, Sunday afternoon.

The first event will get underway at 2 p.m.

Gene Goodling, Steverstown, twice crowned champion, will be on hand with his potent Ford powered sportsman. Bud Folkenroth will have his full blown Chevy at the line to attempt to notch the win.

Neil Haight, Ronnie Cransten, Moe Harden, Ray Kable, Peeewe Poblotts, Bill Gilbreth, and a host of visiting drivers are expected to try to qualify for the 22 starting positions in the sportsman-modified feature.

The late model division will again have a large field of competitors during the 20-lap main event. Ken Slaybaugh, Gene Sane, Ray Fanning, Jake Beard, Larry Hughes, LeRoy Lauver, and a long list of eager chargers will compete in a full card of events for the late models.

KANSAS CITY IN OAKLAND THIS EVENING

KANSAS CITY (AP) — Now that other American Football League clubs have stopped pointing for them, maybe Kansas City's defending champs can end a four-game losing streak against Oakland tonight in Kansas City.

The Chiefs' skid has carried them to a last-place tie with Denver at 2-5 in the Western Division. Oakland, 5-4, is a surprising second behind San Diego 6-2, in the West and needs a victory to stay in the running. The Raiders beat the Chiefs 10-7 last Sunday.

Denver plays at Buffalo, 4-4-1, Saturday night with the Bills favored to keep their late title push alive in the tight Eastern Division race. Houston, Eastern co-leader at 5-4 with Boston, faces New York, 3-4-1, at Houston while Boston plays host to San Diego in the two Sunday games.

One fact indicates the other AFL clubs have been pointing for the Chiefs. Only once in eight games has a team won the week after playing the Chiefs. At the same time, it's obvious the league has greatly improved over 1962 while the Chiefs haven't.

MONGO LIKES HEAVY TRACK

LAUREL, Md. (AP)—The end of Maryland's prolonged drought couldn't have come at a better time for Mongo one of two U.S. representatives in Monday's Washington, D.C. International horse race.

"I'm praying it just keeps on raining," said Frank Bonsal, who trains the 4-year-old colt for Mrs. Marion du Pont Scott.

"Maybe I'm wrong, but I think I know my horse and the softer the course, the better he likes it."

After no measurable rain in the state for more than a month, about three inches fell on Laurel Race course between 5 p.m. Tuesday and 6 a.m. Thursday.

Intermittent showers continued Thursday, and the long range forecast calls for the possibility of more rain Sunday and Monday.

The possibility of an off-track was greeted with much less enthusiasm by backers of Kelso, the American champion who is trying to cop the International for the third year in a row after two runner-up finishes.

Although he has won 31 of 44 starts, Kelso has run only three races on the grass.

OHIO STATE NEEDS WIN

By FRITZ HOWELL
COLUMBUS, Ohio (AP) — Always-cautious football coaches say they play games one at a time, but Ohio State's Woody Hayes will divide his attention among three contests Saturday.

Realizing he needs some outside aid to win the Big Ten title and a Rose Bowl bid, Woody will have his eye on the hometown battle between his Buckeyes and Penn State and his ears on happenings at Lafayette, Ind., and Champaign, Ill.

The scrap with the Nittany Lions is a nonconference vent with no bearing on the league laurels. But Illinois and Michigan State, deadlocked at the top of the heap at 3-0-1 with the Bucks, must turn back conference foes, Michigan and Purdue, respectively, to stay in the race.

Despite the fact this is a non-loop fray, Hayes would like to win it. The Lions have triumphed twice in two starts against the Bucks, and they bring a 5-2 record to town for the 2 p.m. EST kickoff.

BOOK OF ACTS IS BASIS FOR 95 SECTARIANS

WASHINGTON, Ont. (AP) — Karl Marx and Christianity find a common ground on a 1,200-acre farm near this western Ontario village.

A sect known as the Brethren of Early Christianity practices communal living to a degree that forbids any of the 95 persons living on the farm from possessing either money or property.

Brother Alexander Bago, one of three elected trustees who administer the community, quotes Marx in defining its aims: "From each according to his ability; to each according to his need."

But he emphasizes that the farm is operated in conformity with the word of God and in the style of early Christianity.

"All things, all things in common, so doth the Bible read; all things, all things in common, the spirit gently pleads," the brethren sing, convinced they are living by the Book of Acts.

The sect, derived from the Hutterites, was founded in 1931 on a farm near Kitchener, 10 miles northeast of here, by Brother Julius Kubasek. There

were only three adults and three children in the first community. **BOUGHT FARM IN 1940**

During the depression the community transferred its holdings to Bremen, Sask., and later to Yarrow, B.C., where membership grew to 21. In 1940 a farm was bought near here.

The community, with its central treasury providing for the needs of all its members, is almost self-supporting. Women pack and freeze produce for the table. Homemade bread and farm-produced meat are served.

There is a modern, two-room school building providing elementary education to the eighth grade level. Those who continue on may take Department of Education correspondence courses.

Terrorists Kill 2 Men, Burn Plant

CARACAS, Venezuela (AP) — Terrorists killed two soldiers and burned down a Goodyear tire plant in two attacks.

The doors are open for any who want to leave and there is a welcome—along with a year-long preparatory period — for those who want to join the brethren.

"Communal living means we must learn to bear one another's burdens," says Brother Orval Baer. "People who have lived a life of self-indulgence would find some things here a real cross."

Wednesday in Venezuela, informed sources reported Thursday.

An army jeep was ambushed in the mountains south of Coro, in western Venezuela where pro-Castro guerrilla bands are active. Informants said two soldiers in the jeep were killed and three other soldiers were wounded in the fighting that followed. One guerrilla was believed wounded.

The strike against the Goodyear plant came at Barcelona, on the eastern coast. Four men armed with machine guns and pistols overpowered a bookkeeper and burned down the plant with gasoline, he reports said.

ADVERTISE IN THE TIMES

AMAZED...

I tell a few war stories — just like the rest. The censorship of good taste and modesty makes my experiences pretty drab. But Jerry thrills to them. He's proud of his Dad's Purple Heart!

My son would be amazed if I were to tell him the stories we never tell; our thoughts as we hit the beach... what it was like in those jungles... what war does to its dead... and its living.

And in other ways Jerry would be amazed; for he doesn't know me as a man who prays often. He can't realize the depth of my Faith. He has never met the brave chaplain who brought me in when I was hit.

I'll never tell Jerry all of it. I don't think God wants me to!

I pray that Jerry's may be a different world. I want him to learn day by day, step by step, what his religion will mean to him!

That's why we're a church-going family!

Junior High Students Urge Payment To Seneca Indians

By JOSEPH R. COYNE
AP Special Service

WASHINGTON (AP) — Some of the nation's junior high school students are trying to help the Seneca Indians in their quest for a multi-million federal payment because of construction of the Kinzua, Pa., dam and reservoir.

The House Interior Committee has received more than 100 letters from students seeking information on a bill to help the Senecas adjust to the project and urging favorable action on the legislation.

PULL NO PUNCHES

The youngsters pulled no punches in their letters to Chairman James A. Haley, D-Fla., of the Interior Subcommittee which completed hearings on the bill last Friday.

"How would you like it if some man walked up to your house and told you that you had to move out because the government wants to build a dam on your land?" one student asked. Some expressed indignation and others shock that the government broke a 1794 treaty with the Senecas which gave them their Allegany reservation in western New York for all time.

None opposed the legislation and many demanded to know when the subcommittee would send it to the House floor for a vote.

One letter even contained an implied threat. "I'll soon be a legal voter," a girl wrote. "I'll remember this. It's up to you now and your promptness with these bills."

Most of the letters came from New York but some bore postmarks from Pennsylvania, Maine, Wisconsin, Minnesota, Washington State, Kansas and Oklahoma. All the students had discussed the Seneca problem in

their history or civics class and many planned to pursue it further.

Haley has expressed hope his subcommittee can meet before Nov. 15 to iron out details in the adjustment bill. He has also expressed hope the House can pass it this year.

WILL BUILD DAM

The dam will create a reservoir that will inundate much of the Senecas' reservation. They have estimated the cost of adjustment at more than \$39 million, including a \$29 million restoration of Iroquois Indian culture.

The Senecas are one of the six nations comprising the Iroquois Federation. One letter signed by 27 Kansas students said "our class was shocked that things, such as what you are doing to the Seneca Indians, is happening in this day and age."

One student suggested the dam should become a monument to remind the United States to abide by its treaties. Haley said the committee received so many requests for information that he was forced to mimeograph a standard reply. In it he explained the subcommittee's inquiry and the road the adjustment bill must travel before it can become law.

He promised to send each class a copy of the bill that his subcommittee finally agrees to and a copy of the printed hearings when they are ready for distribution.

ROME (AP)—Stefan Cardinal Wyszyński, 61, the Roman Catholic primate of Poland, was reported improving today from a kidney ailment. The prelate, who is attending the Vatican Ecumenical Council, was stricken Sunday.

INSTABILITY MAY FOLLOW DIEM'S OUSTER

By MALCOLM W. BROWNE
Associated Press Staff Writer
SAIGON, Viet Nam (AP) — The passing of the Diem government in South Viet Nam has created a power vacuum that could lead to more instability and upheaval.

The transition from family dictatorship to military junta has been immediate, smooth and relatively bloodless. Army units were back fighting the Communist Viet Cong guerrillas within hours after the Saigon government was overturned. Civil administration has been almost undisturbed; with few exceptions, the same faces were in the same government offices Monday morning.

FAMILY OUSTED

The big change is that the nation is now ruled by a committee instead of a family. But there is no guarantee this committee will work harmoniously. And in the absence of the group, some observers feel the generals may eventually fall to wrangling.

Despite the naming of civilians to a provisional government, the generals will continue to hold the real power for a long time, according to present indications.

One general on the junta said Wednesday he thought it might be 6 to 12 months before a civilian government with full power could be elected.

"COUNTERCOUP"

This leaves a lot of time for

political juggling or even a counter-coup.

The provisional government is not made up of strong political personalities. Nguyen Ngoc Tho, the premier, has been a career bureaucrat since 1930. Although he was President Ngo Dinh Diem's vice president, he never has exercised any real authority.

All national policies for the time being will be made by the military revolutionary committee of generals headed by Maj. Gen. Duong Van Minh.

WILL FIGHT HARD

The junta unquestionably will fight hard to crush the Communist guerrillas they have been fighting the past four years. And the generals will continue to be good friends of the United States.

But their problems are massive. They still must face huge deficit spending and a precarious economy, even with massive U.S. aid.

The Viet Cong has by no means tossed in the towel.

The junta will have to do some unpopular things, the sting of which will be noticeable after the honeymoon of freedom from the Ngo family is over.

"Someone must take a strong hand here before long, because the Vietnamese are basically like the French—each citizen is a political party unto himself," a longtime Saigon resident said.

MALLORY RULE DELAYS TRIAL IN GI'S DEATH

WASHINGTON (AP) — The controversial Mallory Rule has become an issue in the trial of five persons charged in the death of a Ft. Belvoir, Va., soldier June 19.

The trial was halted Wednesday when defense lawyers objected to the introduction of statements which had voluntarily been given police by the five defendants after they learned of the death of Pvt. Edward J. Betcher, 19, of Brooklyn, N.Y.

U. S. District Judge Richmond B. Keech is expected to rule today on a defense motion to suppress the statements on the ground they were taken in violation of the Mallory Rule. The latter says a defendant must be brought before a magistrate without undue delay.

The defendants, of Arlington, Va., are Floyd T. Smith, Thomas A. Green, Leon Dillard Jr., and Gerald L. Jackson, all 22, and 20-year-old Sheila Mae Turner. They are Negroes.

MANSLAUGHTER CHARGE

The men are charged with manslaughter and Miss Turner with negligent homicide. Police say she backed a car over Betcher, who was white, after an argument on a south-east Washington street between the defendants who were in one car and Betcher and two other soldiers, who were in another.

The statements made voluntarily to police loom large in the prosecution's case because the two soldiers with Betcher were unable to identify any of the persons they said assaulted him.

A cab driver who witnessed the incident testified Wednesday that he, too, was unable to identify any of the defendants.

OAKLAND, Calif. (AP)—Miss Alvina Olsen, who taught school in San Lorenzo, Calif., for 50 years, told thousands of students they should always vote on election day if they were to be good citizens.

She always did so herself, and still does, she said.

Miss Olsen marks her 100th birthday in Oakland today with a quiet celebration.

Tank Car Heats Cargo Enroute

MILTON, Pa. (AP) — A "hot plate on wheels" is what rail transportation specialists jokingly are calling a new railroad tank car that heats its cargo as it travels. Temperatures in excess of 500 degrees are possible in the electrically heated car, says its developer, ACF's Shippers' Car Line Division. It is being used to transport certain food and chemical products such as vegetables oil and pitch that must be heated in transit if they are to be ready for immediate unloading at their destinations.

INDICT TWO FOR SLAYING

NEWARK, N.J. (AP)—A federal grand jury indicted an American engineer and a Russian chauffeur Thursday on three counts of conspiring to transmit information to the Soviet Union relating to this country's national defense.

The jury returned the indictments against John William Butenko, 38, of Orange, an engineer handling a secret Air Force contract, and Igor A. Ivanov, 33, chauffeur for a Russian trading company. Conviction could mean the death penalty.

Named as co-conspirators but not as co-defendants in the indictment were three members of the Soviet delegation staff at the United Nations who have been expelled from the United States.

The three were protected by diplomatic immunity.

PRETORIA, South Africa (AP)—South African scientists are working on "deadly gases known to be capable of massive devastation comparable with the nuclear bomb." L. J. Le Roux, vice president of the National Council for Scientific and Industrial Research told the Association for the Advancement of Science Wednesday.

Le Roux said gas is coming back as a low-cost military weapon and South Africa's defense research council realizes chemical and bacteriological warfare is no longer as impracticable as it was during the early stages of World War II.

SOVIETS MARK 46TH YEAR OF REVOLUTION

By PRESTON GROVER
Associated Press Staff Writer

MOSCOW (AP)—The Soviet Union marked the 46th anniversary of the Bolshevik Revolution Thursday by parading through Red Square a rocket which Moscow Radio and Tass indicated was an antimissile missile.

It was a two-stage rocket about 50 feet long, smaller than the ground attack rockets displayed but bigger than any of the other ground-to-air rockets hauled through the square.

"This rocket," said Moscow Radio, "has great military possibilities and can attain hits on all means of air and space attack."

Tass, the Soviet news agency reported: "At recent exercises these long-range antiaircraft rockets proved capable of hitting any up-to-date air - space attack weapons."

U. S. DEFENSES SIMILAR

A U.S. Defense Department spokesman told the Senate Foreign Relations Committee in August the Pentagon is convinced that American efforts to develop defenses against intercontinental ballistic missiles "are comparable in magnitude and shown in previous parades."

success with those of the Soviets."

Dr. Harold Brown, director of defense research and engineering for the Defense Department, told the committee the critical factor was development of a system that could detect approaching missiles soon enough, discriminate between decoys and warheads, "handle large volumes of traffic and hit and kill the targets."

In contrast to this view, Dr. Edward Teller, nuclear physicist known as the father of the hydrogen bomb, told the committee he believes "the Russians have acquired the knowledge" needed for an antiballistic missile system.

The new Soviet rocket was shown after Marshal Rodion Y. Malinovsky, the Soviet defense minister, said in his annual address from atop Lenin's tomb that the Soviet forces are equipped with the latest techniques to deliver a crushing blow to any attack.

But Malinovsky's speech, which he has made every year since he became defense minister in 1957, seemed less bellicose than usual.

The demonstration of military hardware lasted 10 minutes, about the usual length of such displays. Moscow Radio and Tass commentators said some of the rockets hauled through the square were "junior sisters to those which helped launch Sputniks and space ships." A similar statement was made when the big rockets were shown in previous parades.

SEN. DIRKSEN HURT IN CRASH

WASHINGTON (AP)—Senate Republican leader Everett M. Dirksen of Illinois suffered minor injuries Thursday in an automobile collision. Mrs. Dirksen's right foot was broken in the crash.

The accident occurred on Virginia 7 while Dirksen was en route to the capitol from his home near Herndon, Va., in his official chauffeur-driven limousine.

Dirksen's glasses were broken and he received a slight gash on the palm of his right hand when, he said, another automobile turned in front of the car in which he and Mrs. Dirksen were riding. Mrs. Dirksen was taken to a clinic.

Dirksen told of the accident at a Senate-House Republican leadership news conference where he appeared with a pair of old spectacles to read a statement lashing out at the Kennedy administration's foreign policy.

"Don't magnify it," he admonished reporters. "You'll have me a candidate for a headstone."

At the time he talked to reporters, Dirksen thought Mrs. Dirksen's foot was only sprained. Later, his office telephoned the Senate press gallery that the foot was broken.

'PROJECT HOPE' IS BEING AIDED BY JR. WOMEN

Members and friends of the Junior Women's Club of Littlestown are currently participating in a drive for funds for Project Hope. The drive began the week of October 20 and will conclude by the end of next week. Those assisting with the project are entertaining at teas, coffee and dessert socials and card parties. Each guest contributes 50 cents to Hope. The club desires to raise several hundred dollars through these efforts. Contributions are invited and should be sent to Mrs. Dean W. Bankert, Hope committee chairman, 18 Lumber St.

S. S. Hope is a white hospital ship administered by the People to People Health Foundation, Washington, D. C., a nonprofit corporation dependent upon the generosity of the American people. It is a 15,000-ton Navy Hospital ship permanently staffed with physicians, nurses, medical technicians, X-ray technicians, medical secretaries and record librarians, a physical therapist, dietitian and dental hygienist. In addition, rotating teams of physicians and dentists who serve without pay are flown to the ship for tours of two to four months to give medical care to many people who have never had it.

S. S. Hope departed in May, 1962, from San Francisco, heading for Salaverry, Peru. The vessel remained there until March, 1963, while Hope's staff carried forward programs that like those originated for the Far East, are developed to meet the specific health problems of Peru. S. S. Hope leaves a legacy of learning wherever she docks, and needs five million dollars annually to operate.

A "Come as You Are" theme will be featured at the monthly meeting of the Junior Woman's Club at 8 p.m. next Wednesday in the social room of the Eagles' Home, W. King St. Arrangements are in charge of the membership committee, consisting of Mrs. James O. Wolf, chairman, Mrs. Daniel Barnes, Mrs. Lois Crouse, Mrs. Fred L. Dutterer, Mrs. Richard N. Greenholt, Mrs. Robert Kress, Mrs. Gary Mummert, Mrs. Wilbur M. Sentz and Mrs. Edward L. Warner.

A skit, "Parliamentary Procedure" will be presented by the program committee, comprising Mrs. J. Scott Zanger, chairman, Mrs. Harold O. Gerrick, Mrs. R. Kenneth Boyd, Mrs. Warren H. Witsotzky, Mrs. Richard A. Little

Mary Livingston Robbed Of Jewels

NEW YORK (AP)—Mary Livingston, wife of comedian Jack Benny, might not have lost \$200,000 worth of jewels to a robber if she had accepted police protection, says Police Commissioner Michael J. Murphy. A man robbed Miss Livingston Nov. 2 in her suite at the Hotel Pierre. Benny had left earlier for an appearance in Pittsburgh. Miss Livingston was not harmed.

Murphy said Thursday the Bennys have not been the only celebrities to reject offers of protection.

A similar case of refusal where a theft later occurred, Murphy said, involved Patricia Wynmore, widow of Errol Flynn. Two fur coats valued at \$8,000 were stolen Oct. 4 from her Drake Hotel suite.

GRAIN DEAL WITH RUSSIA MAY GO THRU

By BARRY SCHWEID
Associated Press Staff Writer
WASHINGTON (AP) — The word in Washington and in Moscow is that the long-stalled \$250-million wheat deal may go through.

Administration sources were hinting cautiously Thursday night that there has been progress on the chief stumbling block—shipping rates.

And in the Russian capital, Soviet Premier Khrushchev told a group of visiting American businessmen at a party Thursday, "I got the news today that the grain dealers in America have made a reasonable approach and perhaps we can reach agreement after all."

THREE CAUSES OF DELAY
The deal involves sale of about 4 million tons of surplus American wheat to the Soviet bloc. Negotiations have sputtered for three weeks because:

1. President Kennedy has attached a condition that the grain move on American-owned ships if available.
2. The Russians refuse to pay higher rates to American shippers when foreign vessels would transport the wheat cheaper.

A secret meeting between Undersecretary of State George W. Ball and the Soviet wheat delegation Wednesday may have helped improve the situation, administration sources indicated. But they stressed that no agreement has been reached yet.

James MARLOW Reports

WASHINGTON (AP) — It's enough to make President Kennedy uncomfortable. He wants re-election in 1964. His best campaign theme would be peace and prosperity.

And now Premier Khrushchev, who can grunt and growl like a mechanical bear, is performing again. Twice in less than a month's time the Soviets have blockaded American convoys in East Germany.

This could be merely a temporary unpleasantness, like sneezing in the soup. There's no way of knowing that. It could also be the signal of worse to come, with Khrushchev turning 1964 into a year of crises.

SANDWICH PROBLEM
If that happens Kennedy will feel like the centerpiece in a sandwich:

On one side Khrushchev test-reached yet.

RATE GAP NARROWS

The informants said the gap between American and foreign rates is gradually narrowing because world shipping rates are going up. There is still a considerable difference between the two, though, the sources said.

Khrushchev said Wednesday the deal may fall through because of the American shipping rates. He did not specify Thursday what new word he had received, but said: "If we bargain on the basis of equality without discrimination when we can agree."

ing American will and courage with his defiance; on the other, Sen. Barry Goldwater, R-Ariz., campaigning for the presidential nomination with slogans of stiff-arm-the-Russians.

Last fall the State Department, like a man who had just escaped from a furnace alive, developed a kind of euphoria when Khrushchev avoided a showdown on Cuba by pulling his missiles out.

WINDS OF CHANGE

It began talking of winds of change sweeping the world, the State Department's way of saying happy days are here again, or hoping they were.

The world did quiet down a bit gradually although any agreement on that score and ancient subject — a nuclear test ban—seemed not only far off but impossible.

Yet, both sides began inching their way toward it. What followed seemed to indicate that Khrushchev finally had been induced to talk reasonably.

On March 8, 1963, the United States and Russia agreed to cultural exchanges in the scientific, technical, educational and artistic fields.

RAN INTO STORM

Things looked even more comfortable June 20 when the "hot line" between Moscow and Washington was opened to speed communications between the two nerve centers in an emergency.

And on July 25 the United States, Russia and Britain in Moscow initiated a limited nuclear test ban agreement.

It ran into a storm here. The agreement meant nothing unless the Senate approved it in the form of a treaty. And for quite a while there seemed some chance it wouldn't. It finally did on Sept. 24.

HISTORIC EXAMPLE

Khrushchev—instead of playing bear during that whole time between July 25 and Sept. 24—played mouse. He didn't do or say anything to give Senate opponents an additional talking point that might have defeated the treaty.

This was a historic example, if anyone needed it, of how easily Khrushchev could turn his charm on and, as he soon showed, off.

The treaty wasn't wrapped up until Kennedy signed it, which he did Oct. 7.

OLD SELF AGAIN

On Oct. 10, the very day the test treaty went into effect, Khrushchev became his old self again. The Soviets blockaded an American convoy in East Germany, held it up a couple of days, did it again Nov. 4 and again let it through.

These two escapades created

FAMILY POOCH RACES FOR AID FOR MISTRESS

MIAMI, Fla. (AP)—It was 4 o'clock on a silent, foggy Thursday morning. Mrs. Tommy Coe had a problem.

She was having labor pains—seven minutes apart.

Her husband was gone with brand new tensions in this country.

All this might have been just Khrushchev's reminder to the East not to suppose he was getting soft because he made a few agreements.

But it could be his way of giving Americans a foretaste of worse in store.

the family automobile, working as a night watchman at a tugboat towing firm nearly two miles away.

There was no telephone in the Coe house, only the couple's four small children and the family pooch, Toby.

Mrs. Coe quickly scribbled a note on the back of a scrap of paper, put it in an envelope and attached it to Toby's collar.

Minutes later the pooch—his mixed ancestors would have been proud of him—skidded into the boat yard where Coe was making his rounds.

5TH BABE IS BORN

Coe said he was angry at seeing the dog, which never roamed at night, and greeted Toby with language befitting a longshoreman.

But Toby sat wagged his tail, and held his ground.

Then Coe noticed the envelope. He tore it open. The note

read: "Honey, come home. I have pains seven minutes apart."

Coe sped home, gathered up his wife and raced to the hospital where the fifth Coe child—a girl—was born a few hours later.

"I'm going to name her Toby," said the proud father.

WESTBURY, N.Y. (AP) — Speedy Scot is the short-priced favorite to defeat seven other 3-year-olds in the \$81,876 Dexter Cup at Roosevelt Raceway tonight and wrap up trotting's Grand Slam.

Speedy Scot, from the Castle-ton Farm of Mr. and Mrs. Frederick Van Lennep of Lexington, Ky., already is in the books as the second winner of the Triple Crown with victories in the Yonkers Futurity, Hambletonian and Kentucky Futurity. Scott Frost won the Triple in 1955.

Meteor Explodes, Lands In Pacific

MOSS BEACH, Calif. (AP)—A large fireball, apparently a meteor, streaked across the San Francisco Bay area sky Thursday night, exploded violently and landed in the Pacific Ocean several miles offshore.

Thousands of residents saw the object.

The Federal Aviation Agency at San Francisco International Airport said a Navy patrol plane also saw the object hit the water and identified it as a meteor.

The San Mateo County sheriff's office said the explosion "literally shook the coast."

Moss Beach is about 15 miles south of San Francisco.

GORDIE HOWE MISSES AGAIN

By THE ASSOCIATED PRESS

Okay. So your name's Gordie Howe, not Early Wynn. But you've got the same problem. You're just missing. And every time you do, the psychological barrier gets bigger.

Old Early had to make eight tries over two seasons with two different clubs before he finally notched that big No. 300 career pitching victory with the Cleveland Indians this past baseball season.

And Howe, seeking a record-breaking 545th career goal, is having the same problem. The big ones just don't come easy. He missed two good chances Thursday night as his Detroit Red Wings edged New York 1-0. Chicago retained a six-point bulge over second-place Montreal by tying the Canadiens 2-2 in Montreal and Toronto rallied from a three-goal deficit and beat the Bruins 4-3 in Boston in the other games.

Play ranged from rough to vicious in the Chicago-Montreal game. Two major penalties for board-checking were handed out and two Montreal players retired at different times because of injuries.

MAYOR TATE SAYS HE'S MAN OF THE PEOPLE

PHILADELPHIA (AP)—Mayor James H. Tate, who started in politics in college and has been driving hard ever since, considers himself a man of the people.

In his first pronouncement after his election Tuesday night, the 53-year-old silver-haired politician promised he would be a mayor for "all the people." He urged all elements in the city to pull together to make Philadelphia, "the greatest city in the world."

Tate, as a man of the people, still lives in the row house in the Tioga section he occupied before he moved up from city council president to mayor last year when Richardson Dilworth resigned. Tate even continued to ride the subway to work for a while.

CLAIMS VINDICATION

As a hard working politician, Tate, a Democratic ward leader, was up early and working to get out the vote. When the final returns were in Tuesday night and Tate had defeated Republican James T. McDermott by 69,877 votes, he smiled broadly and said the vote vindicated him and the Democratic party.

His election will be studied as a possible civil rights indicator and as a test of the strength of President Kennedy.

Kennedy, who won a smashing 331,000-vote majority here in 1960, came to Philadelphia and publicly endorsed Tate.

KEY ISSUE

Civil rights was a key issue in the election. Some observers looked for a protest vote over Democratic handling of the civil rights issue. Others, including Tate, accused McDermott of playing for the white vote, a charge McDermott denied.

Racial tensions have flared in various parts of the city—slashings in South Philadelphia, riots in North Philadelphia.

Following sit-ins at the mayor's office by the Congress of

Party Lines Hold For Debt Extension

WASHINGTON (AP)—Pennsylvania's Democrats and Republicans were split along party lines in a vote by which the House passed a bill to boost the temporary debt limit to \$315 billion.

Eleven of the state's 13 Republicans joined GOP opposition and all 13 Democratic House members voted for the bill, which was passed Thursday by a 187-179 roll call vote.

Two Pennsylvania Republicans, William H. Milliken, who was hospitalized, and Paul B. Dague, were not listed as voting. Pennsylvania's newest Congressman, Republican Albert Johnson has not yet been sworn into office.

Racial Equality Tate reported his life was threatened. Police bodyguards surrounded him. Everyone entering city hall was being photographed. Obviously needed by the local press, Tate later relaxed the bodyguard.

TOUGH BATTLE

Tate is regarded as a tough but quiet battler at the conference table. He forced settlements of Negro grievances in lengthy, closed-door sessions.

Tate has worked hard all his life, starting as a 16-year-old stenographer with a lock company.

He worked while going to school and entered politics while attending Temple University law school. By the time he was graduated in 1938 he was secretary of the campaign committee in the 43rd Ward.

SERVED IN HOUSE

Tate served three terms in the state House of Representatives, from 1940 to 1946 and 10 years as city councilman, eventually becoming council president.

Typical of Tate's energy and hard work was his conduct at Tuesday's victory celebration. After accepting McDermott's concession the mayor told his supporters he planned to "get some rest," and advised them to do the same. But then he smiled, jumped down from the platform and started shaking hands vigorously with well wishers.

A Lovelier You

By MARY SUE MILLER

WHAT'S IN A NAME? A lovely writes: I am a new bride and want to know how to sign my name to letters. I am told that it is not correct to use "Mrs." before my name, even when signing

messages to people who do not know me. But how else can I establish my identity? Will you add a word, too, about the propriety of typing personal letters.

The Answer: A signature is a mark of good faith. It should not be prefaced, therefore, with any sort of title.

A married woman signs her given name and her husband's surname. Let us suppose his surname is Webb and her given name is Anne. Her signature is then "Anne Webb." For identification purposes

she would write her title "Mrs. Robert Webb," at the left-hand margin somewhat lower than her signature.

One more point — a signature must be handwritten, although it appears on a typewritten letter. Typing renders a signature next to anonymous.

The taste of typing any personal communication has been questioned since the invention of the machine. Enlightened opinion finds no negligence in a correspondence carried on by friends via the typewriter.

But you must take your pen in hand for thank you notes, invitations, congratulatory messages and condolences. In such instances, the slapdash of the typed word could only seem inappropriate and lacking consideration.

WINNING MANNERS

To open a door on increased poise and popularity, send for our booklet, WINNING MANNERS. Topics included are introductions, invitations, table manners, the charming hostess, you—the guest, dating manners, formal dances, travel tips and tipping, small points, like when to wear a hat or check your coat. For your copy, write to me: Mary Sue Miller, Box 158, The Gettysburg Times, Dundee, Ill., enclosing 25 cents in coin, and a long, self-addressed stamped envelope.

BOYLE'S Grab Bag

By HAL BOYLE

NEW YORK (AP)—In each of the last three years, comedian Alan King has found that the cream of his jests came to around a half million dollars. This isn't skim milk in any league, and helps explain why humor is one of America's most serious industries.

But in a field where few things are more frightening than success, because success usually means you have to run harder and more scared to stay on top, King is something of an anomaly.

PLEASANTLY SATISFYING

After 21 years of long steady climbing to the peak, the Brooklyn-born comic finds suc-

cess more pleasantly satisfying than worrisome.

"It gives you a chance to quit running so fast to quit trying to eat up the world to spend at least 10 minutes a day thinking of the other fellow," he said, while relaxing between chores. "When I was a kid, I wanted to stick my hand right down into the world, and pull it inside out. I didn't care about anything or anybody," he said.

"BLUE COLLAR" MAN

"But in time you learn that money in the pocket not only gives you joy it teaches you that you have a basic responsibility to the other fellow, and you lose the desire to eat up the world."

"When people achieve a cultural or artistic security in their work, it ought also to help them become better. If you go on trying to eat up the other person, you're bound to come up with nothing."

King, who describes himself as "a blue collar worker in an

art form, functioning like a truck driver in the entertainment business," excels at unbending lambasting the oily foibles and unctuous hypocrisies of life.

EMOTIONAL MAN

"But I'm not a violent man—just an emotional man," he said.

"If you get people to laughing, you set them to thinking," he said.

"First I get mad at something, then, I think, everybody else is probably mad about this too—so it must be funny."

EXAGGERATE A LITTLE

"To be funny a thing has to be true. Only you exaggerate it a little, as if you were looking at it in a Coney Island mirror."

That's the comedian's form of poetic license.

"But the distortion doesn't destroy the truth—it merely highlights it."

Alan disagrees with those who think Americans are losing their sense of humor.

"There may be cycles when singers or dancers or cowboys or doctors may be the rage, but the comedian always survives."

Drenching Rains Erase Some Drought Dangers; More Rainfall Is Needed

By THE ASSOCIATED PRESS

Drenching rains continued to lift Pennsylvania from the grips of the drought today, but state officials warned that some danger still exists.

Steady rains of the past three days prompted Gov. Scranton Thursday to lift his ban on smoking and campfires in and around state forests and woodlands.

Hunting and fishing had been banned in Pennsylvania from Oct. 18 to Nov. 5 as a precaution against forest fires.

The weather forecast for today called for more rain, ending in the morning, followed by gradual clearing.

THREE-INCH FALL

Nearly three inches of rain fell over the state Tuesday, Wednesday and Thursday.

"This type of rainfall, coming down steadily over a period of two days was just what we needed," reported Nelson Kauffman, U. S. Weather Bureau climatologist at the Harrisburg-York Airport.

"But," he added "we're still far behind our normal precipitation total. It will take quite a few rains like this to bring us back to normal."

Scranton, in lifting the ban on smoking and campfires, said he was "satisfied the critical conditions which existed with respect to the danger from the forest fires have been alleviated."

FEAR NEW THREAT

Even so, weather officials report that a warming trend and heavy winds could kick up the threat of surface fires after the rain ends.

Communities on emergency water supplies too were finding temporary relief in the steady rains. But Harry Dewire, chief of the state Health Department's water supply section, said the rain has helped, but not canceled the emergency conditions the communities are under.

"The rains cannot completely cure the later shortages which have hit so many areas," Dewire said.

representatives on the Gettysburg Council of United Churchwomen. The Deborah and Dorcas Circles will conduct a service and furnish a treat at the Adams County Home November 17 and the Deborah Circle will check and repair the church hymnal markers, it was reported by Mrs. Lighter. Mrs. Allison told of the World Community Day service at the New Windsor clothing center Thursday and Mrs. Rightmyer furnished a pattern for Christmas stockings to be filled with candy, combs, tooth paste and toys or crayons and coloring books, to be given to children in institutions.

An appeal was made to the Women of St. James to write to Congressman George Goodling urging him to sign discharge petition No. 3 for HJ Resolution 9, which was the outgrowth of the indignation of 60 congressmen with the Supreme Court decision against Bible reading and prayer in public schools and given added impetus when the Civil Liberties Union filed suit attacking the constitutionality of the words "Under God" in the Pledge of Allegiance to the flag.

group. In the past some campers have spent two weeks there. He announced also that, after a number of years, no Lutheran summer assembly will be held next July. The assembly was held at Gettysburg College for many years and last year was moved to Seisingrove.

A report on the social ministry department by Dr. Paul L. Reaser, pastor of St. James Lutheran Church here, revealed that a master plan for the social ministry for the whole synod, involving the division of the synod into three areas, may seriously affect the plan to establish a Lutheran home for the aged in or near Gettysburg.

GIVES LIM REPORT

The proposed plan would place Gettysburg in the York area and there is already a home for the aged there.

Mrs. Louise Bream, Lutheran inner mission executive director, reported on inner mission work and distributed brochures. She answered questions raised about reported LIM spending for a needy family's housing. Mrs. Bream said the family received little money from the LIM but private groups did give the family \$800 over a six-month period which was the family's only income source.

BAYLOR COACH LAUDS TRULL AS BEST EVER

By BOB GREEN
Associated Press Sports Writer

Baylor football Coach John Bridger is an ebullient man who wants to tell the world about "my boy Trull." He does so at every opportunity.

And some of the comparisons he makes involving Baylor quarterback Don Trull are at once refreshing and a little awe-inspiring. Listen:

"My boy Trull," proclaims Bridger, "is the best quarterback I've ever seen anywhere or anytime or on any football field. And that goes for Baugh, O'Brien, Lujack, Graham, Unitas or even Little."

LEADS NATION

Which is rather rare for a coach. But Trull's credentials are all in order. He leads the nation in passing and total offense. In six games he has a total of 1,491 yards and has completed 106 of 185 passes for 1,408 yards and 10 touchdowns.

Trull gets his chance to prove all this Saturday at Austin, Tex., when he leads the bulky Bears against unbeaten Texas, the nation's top-ranked college team.

The game looms as the top attraction on the national schedule and probably the last really big stumbling block on the Longhorns' path to the national championship. Their only other games are against Texas Christian, 3-2-1, and Texas A&M, 1-5-1.

COTTON BOWL IN OFFING

The Bears are unranked, but have an impressive 5-1 mark, losing only to Oregon State, State. They've beaten Houston, Arkansas, Texas Tech, Texas A&M and TCU.

The Longhorns have won seven in a row, but the margin of victory in the last three totals only 13 points.

Each, of course, is unbeaten in the Southwest Conference and the winner probably will get the host spot in the Cotton Bowl. Baylor hasn't won the title in 40 years.

OTHER TOP BILLS

Most of the rest of the ranked teams also have their work cut out for them, with only No. 3 Mississippi scheduled for a breather. O' Miss, 5-0-1, has a home game against little Tam-

Charge Four In York Man's Death

YUMA, Ariz. (AP) — Four Yuma youths, facing a first-degree murder charge in the slaying of a Pennsylvania sailor, were scheduled to appear before a justice of the peace today to say whether or not they wish a preliminary hearing.

The youths are charged in the fatal beating and robbery Monday of John Eyler, 25, a York R. 1, Pa., sailor on duty at the Yuma Marine Corps Air Station.

The youths, also charged with armed robbery in the assault the same day on a Marine private, are Robert Hoffman and Jerry Hillier, both 20, Roger Castleton, 18, and Richard Melior, 17.

TO OPEN BIDS

HARRISBURG (AP) — The General State Authority will open bids Dec. 4 on construction of a new addition to the Willard Classroom Building at Pennsylvania State University.

A total of \$1,855,000 has been allocated for the project.

The GSA also will open bids Dec. 11 on a proposed \$1,500,000 dining hall and kitchen at Shippensburg State College.

pa. No. 7 Alabama is idle.

Second-ranked Illinois, 5-0-1, is at home to a Michigan team that may be better than its 2-3-1 record would indicate and No. 4 Navy could have its hands full with Maryland, 2-5 The Middies, led by Roger Staubach, take a 6-1 record into the game at the Naval Academy.

Auburn, at 6-0 one of the three remaining unbeaten, untied teams in major college circles, risks its No. 5 standing against tough Mississippi State, 4-2-1, at Jackson, Miss.

SOME DOUBT MRS. NHU IS OUT OF MONEY

By SPENCER DAVIS
Associated Press Staff Writer

WASHINGTON (AP)—A qualified source close to Mrs. Ngo Dinh Nhu's family Thursday described the former First Lady of South Viet Nam as a clever businesswoman with ample resources in other countries, including a villa on the French Riviera.

Reports from Los Angeles said Mrs. Nhu is deeply concerned about her financial outlook. This was greeted with some skepticism by the source, who asked not to be identified.

Mrs. Nhu recently purchased a villa on the French Riviera from her brother-in-law, Archbishop Pierre Martin Ngo Dinh Thuc. He is attending the Ecumenical Congress in Rome and also has been looking after Mrs. Nhu's three younger children since their arrival from Saigon. **HAD \$5,000**

A source close to Mrs. Nhu said Tuesday in Los Angeles that when she left Saigon five weeks ago she had \$5,000 spending money for herself, her daughter and her secretary. He said she had no money banked abroad and that the only member of the family who had control over large sums of money was the archbishop and that that was "church money."

In London, Ngo Dinh Luyen, Viet Nam's former ambassador to Britain, said Wednesday night he would not be surprised if Mrs. Nhu, who is his sister-in-law, had run out of money in the United States. He said all her wealth probably is held in Viet Nam.

In Washington, state department officials said they were not informed about Mrs. Nhu's finances.

U.S. foreign aid officials have kept a close watch on South Viet Nam's foreign exchange transactions.

Any substantial changes representing a large transfer of capital funds by the Diem regime to foreign banks would have raised questions and brought an investigation, aid officials said.

DEL. SENATOR BEING BOOMED

WILMINGTON, Del. (AP)—A New York manufacturer is trying to add a new name to the list of potential Republican presidential candidates.

The name is Delaware's Republican Sen. John J. Williams, a member of the Senate Finance Committee.

Nicholas L. Krysmann, president of N. L. and E. W. Krysmann, Inc., formally launched a drive Wednesday to boom Williams for the nomination although he admits Williams has given him no encouragement in several conversations on the subject.

Krysmann sent letters and brochures to 520 newspapers seeking support for Williams, whom he described as "one of the most able men in Washington."

Add minced chives to sour cream, the cultured variety. Serve in small paper cups, restaurant style, as an accompaniment to baked potatoes instead of the usual butter or margarine.

8 NAMES FOR JOHNSON POST

HARRISBURG (AP)—Speculation centers on eight names today as possible successors to Albert W. Johnson as Republican floor leader in the state House of Representatives.

Johnson will give up the House post to take his place in Congress as the new representative of the 23rd Congressional District in northwestern Pennsylvania.

He was elected to fill the unexpired term of the late U.S. Rep. Leon H. Gavin, an Oil City Republican.

Most prominently mentioned as Johnson's potential successor is 38-year-old Rep. George W. Heffner of Pottsville, chairman of the House State Government Committee in the 1963 session.

Heffner, a lawyer, is serving his fourth term in the House. Other names mentioned are Rep. Maurice H. Goldstein, 61, a Pottsville lawyer; Rep. Lee A. Donaldson Jr., 38, a lawyer from Allison Park; Austin M. Lee, 44, a Philadelphia lawyer;

BUFFALO, Wyo. (AP)—A rabbit owned by the J. F. Dillingham family was picked as the outstanding buck rabbit at the Johnson County Fair.

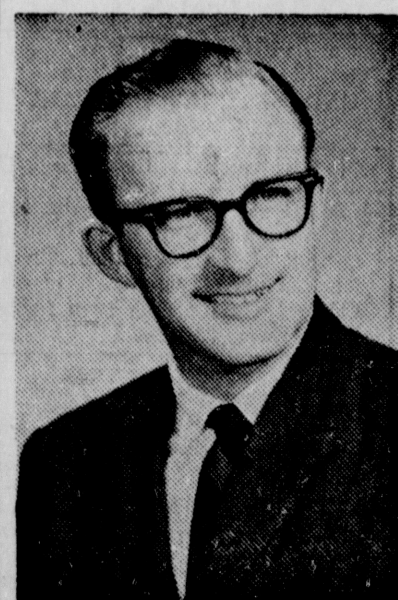

Everybody was surprised Wednesday when the rabbit became a mother.

REDS HOPE U.S. GROWERS WILL END DEADLOCK

By OVID A. MARTIN
Associated Press Farm Writer

WASHINGTON (AP)—There is speculation in farm circles that the Soviet Union may be counting on American grain growers and exporters to put pressure on the Kennedy administration to eliminate a barrier holding up a big sale of wheat to the Soviet bloc.

Blocking the sales and causing Soviet Premier Khrushchev to threaten to break off wheat negotiations is a stipulation by President Kennedy that the grain be moved on American-owned ships to the extent they are available.

The freight rates on the American vessels are reported 20 to 30 per cent higher than those of foreign ships. The American ships have higher labor and other costs.

WANT CHEAPEST WAY

The Soviets have made clear that they want the grain moved the cheapest way possible.

Farm leaders said it is possible that Khrushchev may be hoping that the U.S. wheat producers—motivated by fear of losing wheat sales that could boost their income and greatly reduce a surplus that is burdening their markets—will put pressure on the administration to drop the requirement that American ships be used.

So far, these leaders said, there has been no indication that growers will take such action.

There have been reports the President imposed the requirements to avoid possible trouble with the American maritime unions. Also, at the time Kennedy made his decision, it was reported in government circles that the President wanted American ships to move the grain to prevent possible diversion to Cuba and to Communist areas in the Far East.

Divorcee Pleads Guilty In Shooting

DOYLESTOWN, Pa. (AP)—A 27-year-old Philadelphia divorcee will be sentenced Friday for voluntary manslaughter in the fatal shooting of her male companion in a motel last March 21.

Mrs. Kathleen Hutchison Matuzewski changed her plea to guilty Wednesday. She has been on trial since Oct. 28 in the shooting of Jerome F. Venezia, 37, also of Philadelphia, in a Bensalem Township motel room.

WIDE SKIRTS, PADDING SET SPRING STYLE

By JEAN SPRAIN WILSON
AP Fashion Writer

NEW YORK (AP)—Within 47 minutes and 27 seconds, a half dozen pretty manikins modeling 113 costumes altogether entered the plush Christian Dior showroom Wednesday, whirled, smiled, donned and doffed jackets and coats, fiddled with scarves, and exited in the chicest track meet in town.

There were lots of favorites with the audience of buyers and fashion reporters, but the winner, designer Gason Bertelot, did not appear for his applause.

Probably some of the credit for that record time clocked on the runway belongs to those jaunty box-pleated skirts, and the flared ones too, that gave the girls plenty of leg room.

LONG JACKETS

Topping these skirts were lean, hip-bone length jackets or overblouses, double-breasted or zippered down the middle, with set-in sleeves.

The muscle and broad shoulders on some models in those coats gathered at the back of the neck, or in those dresses with cap-length puffed sleeves, were courtesy of padding, not exercise.

Abundant in the racy spring collection were plaids and checks as well as stripes—pin, pencil, and broad awning types. Colors for day were as spicy as mustard, as hot as heliotrope, but soft for social occasions.
